GUARANTEE & NOTICE TO PURCHASER

Seller warrants that the products of Seller's manufacture which are delivered by Seller hereunder shall be free from defects in material and packaging during the limited warranty period. The limited warranty period for all such products is 3 years from the date of manufacture as indicated by the production batch code identified on the product container. If during the limited warranty period any such products are proven to be defective upon Seller's inspection, Seller's sole obligation is to replace any such products upon receipt of the defective product at Seller's factory. Seller shall not accept returns of allegedly defective products unless Seller is first notified and the return is authorized by Seller. Seller shall be Released from all obligations under this limited warranty as to any products which have been subject to neglect, mishandling, improper storage, accident, misuse or improper operation or care, and any products that have been altered. Seller shall not be liable for any advice, suggestions or instructions provided to Buyer. Buyer shall determine suitability of product for Buyer's intended use and assumes all risk and liability in connection herewith.

RETURN POLICY

All returns must be pre-authorized, freight prepaid and subject to 20% restocking charge pending our inspection.

NET 30 DAYS F.O.B. WHEELING, IL

Prices are subject to change without notice.
